SUB TOTAL (MERCHANDISE ONLY)		\$777.95
SHIPPING AND HANDLING CHARGES		\$27.99
GRAND TOTAL		\$805.94

Contact That Fish Place at www.ThatFishPlace.com for equipment. This company is located in Eastern, PA and ships UPS Ground which is next day in most cases to NJ schools. If you call to place your order, please ask for Stephanie Welsh @ 717-299-5691 ext. 1288 and tell her you are looking for help with a Trout in the Classroom kit for a New Jersey school. Their "**Kit # 1**" includes all necessary equipment (chiller, filter, air stone, water testing kit, UV Sterilizer, etc.) **minus** the tank and hood.

You will need to purchase your tank from a local pet shop or pet superstore - remember to get hoods with lights built in. I recommend a 55 gallon tank. If you need a tank stand, please purchase a metal one so that there is no problem with condensation from the tank warping the wood.
